

Directions for Camp Lomia from Logan, Utah

1. Turn East unto 400 North/US 89 from Main Street in Logan.

This will take you past Utah State University and 1st Dam at the mouth of Logan Canyon.

2. Continue up Logan Canyon along US 89 for 11.3 miles

See the note below about the Logan River being on your right side.

You will come to a sign that says to turn right for Camp Lomia

Do not make the mistake of taking the immediate right after the sign as this is a private gated drive to a residence.

The road will curve to the left and you will see the bridge where the Logan River crosses to the left hand side of the road.

3. Turn Right unto SR081 and continue for 1.3 miles

This is a sharp right hand turn immediately after crossing the bridge (move into the turning lane and slow way down.)

4. Stay right of the fork in the road and arrive immediately at Camp Lomia. (The other fork takes you to the Right Hand Fork Trailheads.)
